You will be aware of the Scout Association's

YOUNG PEOPLE FIRST policy

As a campsite we also have responsibilities under this policy which we take care to implement.

It has become essential we take steps to ensure all users are also aware of this policy. For those not familiar with the policy a copy of the code of practice is available on the Scout website <http://www.scouts.org.uk/supportresources/3099/young-people-first-code-of-good-practice-for-adults-yellow-card> or from the Warden.

Would you please sign the attached declaration and return to the Warden as soon as possible.

I am afraid if we do not receive it before you arrive, we cannot guarantee you will be allowed to camp at Chelwood

Thank you for your understanding and co-operation.
